

Make your own St George's Day Bunting

You will need:

- Scissors
- Glue or Sellotape
- String or ribbon

1. Cut out the flags
2. Place them upside down
3. Take your string or ribbon and lay it under the flap
4. Glue or stick down the flap over the top of your string or ribbon
5. Repeat until you have lots of flags attached to the string or ribbon
6. Decorate your window with the bunting
