9 Summary of Financial Delegation to Officers	26

1. DISCHARGE OF THE SCHEME

- 1.1 This Scheme of Delegation forms part of the Council's Financial Regulations and Standing Orders and will be reviewed at least annually or earlier, for example when there are staffing changes.
- 1.2 Those with delegated responsibility are referred to by job title, therefore any changes in job titles will trigger a review of this scheme.
- 1.3 One of the purposes of the document is to clearly define the parameters within which Officers of the Council are able to act without reference to either their line managers or Members. Where consultation with others is a requirement of the ability to act it is clearly set out with whom that consultation should take place.
- 1.4 Any deviation from this Scheme should be reported to Council at the earliest opportunity with an explanation of the circumstances in which the breach occurred.
- 1.5 The other purpose of the document is to detail the various delegated powers throughout the Council, including those delegated by the Council to its various committees. This element of the Scheme incorporates the Terms of Reference of the committees.

2. PRINCIPLES OF DELEGATION

- 2.1 Section 101 of the Local Government Act 1972 provides:
 - That a Council may delegate its powers (except those incapable of delegation) to a committee, or an officer.
 - A Committee may delegate its powers to an Officer.
 - The delegating body may exercise Powers that have been delegated.
- 2.2 Any delegation to a Committee or the Proper Officer shall be exercised in compliance with the Council's Standing Orders, any other policies or conditions imposed by the Council and with the law.
- 2.3 The Proper Officer may nominate another named Officer to carry out any powers and duties, which have been delegated to the Proper Officer.
- 2.4 In an emergency the Proper Officer is empowered to carry out any function of the Council
- 2.5 Where Officers are contemplating any action under delegated powers, which is likely to have a significant impact in a particular area, they should also consult the Chair of the relevant committee, and the Officers must ensure that they obtain appropriate legal, financial and other specialist advice before action is taken.

3. AUTHORITY TO ACT

- 3.1 Subject to those matters that are reserved for Committee; all members of staff shall be responsible and shall have delegated authority as outlined in this scheme.
- 3.1.1 Any matter not reserved for Committee (i.e. any matter falling outside the criteria) shall be regarded as falling within the day to day operation and management of the relevant department and shall be delegated to the appropriate member of staff and shall be exercised in accordance with this delegation scheme.
- 3.2 It will be appropriate for the Officers of the Council to refer a matter:
- To the Town Clerk where the determination of the matter raises issues of corporate priorities or the co-ordination of the discharge of various functions of the Council,
 - To the Council where the determination of the matter is likely to be particularly controversial or raises issues of policy which it would be appropriate for councillors to determine; or could, by its scale or complexity expose the Council to major corporate risk.
- 3.3 All officers have the responsibility to act within the Council's approved policies, procedures and framework and within the law in conjunction with this delegated scheme.

4 CONFLICTS OF INTEREST

- 4.1 Under the Local Government Act 1972, Section 117; Officers must make a formal declaration about Council contracts where the employee has a financial interest. Every Officer is responsible for identifying whether they have any conflict of interest in any matter which is under consideration, actual or perceived, within the Council, and also for notifying the Town Clerk.
- 4.2 Where an employee is unsure whether an interest should be declared, they should speak to Town Clerk in the first instance. If the employee is advised not to declare their interest, a record of the discussion should be kept by both parties. Failure to disclose such an interest may result in disciplinary action being taken which could lead to dismissal.
- 4.3 Employees are also required to disclose any other employment that they wish to undertake in addition to their primary post with the Council.
- 4.4 All employees must identify and disclose any actual or potential personal, financial, business, or other interest or close personal relationship which might reasonably be perceived as a conflict of interest.
- 4.5 Each employee is required to complete the Code of Conduct for Council Employees. Further guidance is contained within the Employee Code of Conduct Policy approved by Council.
- 4.6 Where an Officer has a conflict of interest in any matter, he/she shall not participate in that matter in his/her capacity as an Officer except with the prior approval of the Town Clerk. Any approval granted by the Town Clerk shall be formally recorded in the Council minutes. Where such approval has been granted for the Officer to participate in a Council meeting of that subject matter, he/she must ensure that the disclosure of interest is also declared at the start of the Council meeting under the disclosures of interests for Members and Officers.
