### **Statement of Responsibilities**

### 31 March 2023

### The Council's Responsibilities

The council is required:

- to make arrangements for the proper administration of its financial affairs
- to secure that one of its officers (R.F.O.) has the responsibility for the administration of those affairs. At this council that officer is the Responsible Financial Officer, and
- to manage its affairs to secure economic, efficient and effective use of resources and safeguard its assets.

### The Responsible Financial Officer's Responsibilities

The R.F.O. is responsible for the preparation of the council's Unaudited Financial Statements in accordance with Part 4 of the "Governance and Accountability for Local Councils – A Practitioners Guide (England) (as amended)" (the guide), so far as is applicable to this council, to present a true and fair view of the financial position of the council at 31 March 2022 and its income and expenditure for the year then ended.

In preparing the Unaudited Financial Statements, the R.F.O. has:

- · selected suitable accounting policies and then applied them consistently
- made judgements and estimates that were reasonable and prudent, and
- · complied with the guide.

The R.F.O. has also:

- · kept proper accounting records, which were up to date, and
- taken reasonable steps for the prevention and detection of fraud and other irregularities.

### Responsible Financial Officer's Certificate

I further certify that the Unaudited Financial Statements present a true and fair view of the financial position of Keighley Town Council at 31 March 2023, and its income and expenditure for the year ended 31 March 2023.

### **Statement of Accounting Policies**

### 31 March 2023

#### **Auditors**

The name and address of the External Auditors is provided for information only.

These Statements are not subject to audit and the External Auditors have no responsibility for them.

### **Accounting Convention**

The accounts have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) (FRSSE) issued by the Accounting Standards Board, as applied to Local Councils by part 4 of Governance and Accountability for Local Councils – A Practitioners Guide (England) (the guide). Comparative figures have been restated to conform to the revised formats where appropriate. Certain requirements have been omitted for clarity and simplicity as these statements are not subject to audit. They are produced in support of the council's audited Statement of Accounts contained within the Annual Return Statement of Accounts.

These accounts have been prepared having regard to the fundamental accounting concepts of: Going Concern, Prudence, Accruals, Relevance, Consistency, Reliability, Comparability, Understandability and Materiality.

The accounts have been prepared under the historical cost convention.

#### **Grants or Contributions from Government or Related Bodies**

#### **Revenue Grants**

Revenue grants are credited to income when conditions attached thereto have been fulfilled and/or equivalent expenditure has been incurred. Grants received in respect of which the conditions have not been fulfilled, or expenditure incurred, are carried forward as deferred revenue grants.

#### **Investments**

Investments are included in the balance sheet at historic cost and realised gains or losses are taken into the income and expenditure account as realised.

### Stocks and Work in Progress

Stocks held for resale, where significant (generally in excess of £1,000), are valued at the lower of cost or net realisable value. Consumable stocks have been treated as an expense when purchased because their value was not material.

#### **Debtors and Creditors**

The revenue accounts of the council are maintained on an accruals basis in accordance with the regulations. That is sums due to or from the council during the year are included whether or not the cash has actually been received or paid in the year. Exceptions to this are payment of regular quarterly and other accounts (e.g. telephones, electricity). This policy is applied consistently each year. Therefore, it will not have a material effect on the year's accounts or on the council's annual budget.

The council reviews the level of its commercial debtors on a regular basis and provisions are made, as required, where the likelihood of amounts proving ultimately collectable is in doubt.

### **Statement of Accounting Policies**

### 31 March 2023

### Value Added Tax

Income and Expenditure excludes any amounts related to VAT, as all VAT suffered/collected is recoverable from or payable to HM Revenue and Customs. Any amounts not so recoverable are treated as a separate expense.

### **External Loan Repayments**

The council accounts for loans on an accruals basis. Details of the council's external borrowings are shown at note 10.

### Leases

Rentals payable under operating leases are charged to revenue on an accruals basis.

#### Reserves

The council maintains certain reserves to meet general and specific future expenditure.

Certain reserves are maintained to manage the accounting processes for tangible fixed assets, available for sale investments and retirement benefits. They do not represent usable resources for the council:

Capital Financing Reserve – represent the council's investment of resources in such assets already made.

#### **Interest Income**

All interest receipts are credited initially to general funds.

### **Cost of Support Services**

The costs of management and administration have been apportioned to services on an appropriate and consistent basis.
